

## **ALUTEX LIMITED WARRANTY**

ALUTEX warrants to the original purchaser only, its Retractable Awning Frames to be free from defects in material and workmanship under normal and proper use commencing from the date of purchase, for a period of:

### **Ten (10) years**

Any such defects must be reported within the applicable warranty period from the date of purchase (proof of date and source of purchase required), and ALUTEX's only obligation under this limited warranty shall be to replace or repair at its only option, those frame parts which are so proved defective. Should the product originally purchased be discontinued, Alutex reserves the right to replace the parts found to be defective, with comparable ones currently in use.

This limited warranty does not cover normal wear and tear, installation damage, and damage caused by misuse, accidents, high winds, rain, fire, or acts of God.

Cost of removal and reinstallation shall be the sole responsibility of the purchaser. Any defective parts must be returned to the original place of purchase or any authorized Alutex dealer for shipment prepaid to ALUTEX, after receipt of Alutex's return authorization number (RAN).

Standard manufacturer's warranty for fabric, motors, electrical parts, and other optional elements, not covered by this limited warranty, are automatically passed on to the original purchaser by any such manufacturer. Copies of such warranties are available upon request of your dealer.

ALUTEX MAKES NO OTHER WARRANTY, EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER. SPECIFICALLY ALUTEX SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSS OR INJURY RESULTING FROM THE INSTALLATION OF ITS PRODUCTS. Some states do not allow the exclusion of incidental or consequential damages, so the foregoing limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

### **NOTE: PLEASE READ CAUTIONARY AND IMPORTANT OPERATING INFORMATION WHICH MAY AFFECT THIS LIMITED WARRANTY**

#### **CAUTION**

Retractable Lateral Arm and Drop Arm Awnings contain strong springs under tension. To prevent possible injury, call the Factory, should removal or replacement of the cover become necessary.

Warning: Retractable Awnings are specifically designed to be retractable and primarily for sun protection. They are not designed to withstand high winds or heavy rain which can collect in the cover on shallow pitch installation. During those times, the awning must be fully retracted to prevent damages not covered by warranty. Any accessory provided to transform the original nature of an awning from retractable to stationary, is inadvisable. In no event will Alutex be liable for direct or indirect damages resulting from the installation of such accessories (i.e. Front Legs). It is the responsibility of the installer to educate the consumer accordingly.
